Motion For Reconsideration & Clarification

Motion To Intervene As Defendant under Fed R. Civ P rule 24(A)2, 24B

Motion To Amend Complaint

Comes now the Plaintiff, intervenor Jonathan Lee Riches, in pro-se, moves this honorable court to intervene in this case as a defendant under Federal Rules of civil P. rule 24(A)2 - as a matter of right or rule 24- Permissible Intervention, as I have a interest in this case. I move for a motion for reconsideration to allow me to Intervene with a Amended Complaint. I and inmates at FCI Williamsburg produce bicycles at the Federal prison industries Unicom program with greg Lemonds picture, on huffy's also. The Lemond cycling collects them at FCI Williamsburg, Plaintiffs payus only .12¢, a violation of min. wage laws. Plaintiffs told us they ship the bicycles to Iranian troops for recon training. This is a violation of the trading with Enemy Act. Greg Lemond personally told me he took performance Enhancing drugs High while racing the Tour de France and hes pals with Floyd Landis. I seek relief under the whistle blowing act. Plaintiff Greg Lemond injured me at the 17th stage. I pray I get my motions granted.
